Mr. Ross Levine is the #1 Black Belt Point Champion in the nation. Ross at the age of only 22 has won or placed in all the major karate tournaments in the USA. He will be conducting a karate sparring seminar for us. The seminar is for the young and old, geared towards teaching a fun way of kicking and closing the gap. When the seminar is over, Ross will spar everyone who would like to spar. (Bring your camera!) Ross Levine is from Brooklyn, New York, but since he is a Dallas Cowboy fan, we are letting him come to Texas. It will take us a few days to teach him how to talk right.
